Report to the Kentucky Library Association Board
Library Awareness Committee
Louisville, Kentucky
March 16, 2013

I wrote the Spotlight article for the Winter edition of *Kentucky Libraries* on Dave Schroeder.

I promoted Kentucky Libraries Legislative Day by sending out information and reminders on the KLA list serve.

I have passed on information from the ALA Advocacy Office to the KLA List Serve.

I sent out an initial email about the ALA Legislative Day. Lori Harlan from KDLA is again arranging the registration for the KY delegation.

I will be submitting suggested changes to KLA Awards information for the Blue Book. This will include an earlier date for award nominations and a new form for nominators to fill out along with their written nomination.

Respectfully submitted,

Debbe Oberhausen
